Kauf Tipp

Magnat Multi Monitor 220

Must-buy recommendation

Qualcomm aptX™

"... The Multi Monitor 220 convinced us straightaway with its catchy and dynamic sound."

"... The broadband, high-resolution and crisp performance of this compact speaker is just incredible."

"... The stereo positioning is perfectly defined and offers the listener the whole range of acoustic details in width and depth."

Summing up:

"Magnat succeeded in putting a smart hifi system into just two little speakers. With wireless music reception, phono

input and digital connection options, the Multi Monitor 220 offers generous equipment. And all this topped by its dynamic and brilliant sound results in a crystal-clear recommendation to buy."
